Rules

Each Area will be able to enter a team of 5 players (3 of which will start each game, the remaining two may be used as 'rolling subs'). The object of the game is to score points by making field goals or free throw shots.

Each game will commence with a 'jump ball' at the court centre, wherein each of the teams vie for ball possession. Each team then tries to recover the ball, makes a series of passing moves, and makes shots within shooting range at their designated baskets positioned at each ends of the court.

Basketball rules award two points for each field goal, while three points are scored for field goals shot beyond a designated distance from the basket. Two free throw shots, each worth a point, are awarded to a player after being fouled by a player from the opposing team in a penalty situation.

Each game will consist of a straight 8 minute session. The team with the higher score wins the game.

The organisers reserve the right to alter the rules of the event and the format on the day. However competitors will be informed of any changes to the above prior to the commencement of the competition.

The Event Convenor will act as referee and settle any disputes that may arise. Mitch Robinson, NSW 2008 Sports Convenor, will perform final arbitration
