### Rules

The competition will be a pairs event with each Area entering one pair, where each member of the team plays alternative shots. The 'Rules of the game of Snooker and English Billiards' will apply, as interpreted by the event convenor.

A coin will be tossed before each game to decide who breaks first.

Depending upon the number of teams entering and the time available, the following format will be used:

Round one will be a league basis in which all teams play each other. Each match will consist of the best of three games, points being awarded as follows:

- 3 points for 2 - 0
- 2 points for 2 - 1
- 1 point for 1 - 2

The quarter finals and semi finals will be a single frame straight knockout. The final will be the best of three games.

The remainder of the places will be decided on total points scored, or placings in knockout and then aggregate score differences.

The event organisers will score the semi-finals and final of the main competition. The players will score all the earlier matches.

The number of leagues and format of leagues will be dependant on the number of teams entering on the day of the competition and the organisers reserve the right to alter the rules of the event and the format on the day. However competitors will be informed of any changes to the above prior to the commencement of the competition

**The Event Convenor will act as referee and settle any disputes that may arise. Mitch Robinson, NSW 2008 Sports Convenor, will perform final arbitration**
